DOMINION ORDERS IN COUNCIL.

[1519]

AT THE GOVERNMENT HOUSE AT OTTAWA,

Tuesday, the 30th day of July, 1901.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a report dated 18th July, 1901, from the Minister of the Interior, submitting that by Order in Council, dated 19th January, 1899, the Regulations governing the granting of yearly licences and permits to cut timber in Manitoba, the North-West Territories,

and the Railway Belt in the Province of British Columbia, were amended so as to permit the owners of timber berths in the railway belt to sell the timber thereon to mill-owners, the Regulations having previously provided that the timber must be manufactured at the saw-mill of the licensee to be operated in connection with the berth. There is therefore no provision in the Regulations as they exist at present to prevent the exportation of logs cut on Dominion lands in the Railway Belt in the Province of British Columbia.

The Minister therefore recommends that the Regulations be again amended so as to provide that all timber cut on berths in the Railway Belt in British Columbia shall be manufactured within the limits of the Dominion.

The Committee submit the same for His Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.
